15-Day Balanced Healthy Diet Plan

Yeh 15 dino ka healthy aur balanced diet plan aapki overall health, energy levels, aur digestion ko behtar banane ke liye design kiya gaya hai. Isme nutrition, proteins, healthy carbs, aur essential vitamins ka sahi santulan hai.

General Guidelines (Mukhya Niyam)

- Hydration: Din me kam se kam 2.5 se 3 liter paani zaroor piyein.
- Meal Timing: Khana samay par khayein. Raat ka khana sone se kam se kam 2 ghante pehle kar lein.
- Physical Activity: Din me 30–45 minute ki walk, yoga, ya light exercise zaroor karein.
- Parhez (Avoid): Refined sugar, maida, zyada fried items, aur carbonated drinks se door rahein.
- Morning Routine: Subah uthkar 1 glass gunguna paani piyein (chahein toh adha nimbu mila sakte hain).

Important Lifestyle Tips

- Chewing: Khana hamesha chaba-chaba kar aur aaram se khayein.
- Portion Control: Apni appetite ke hisab se portion size maintain karein, overeating se bachein.
- Oil & Ghee: Khana banane me mustard oil, olive oil, ya deshi ghee ka limited use karein (1-2 tsp daily).
- Snacking: Bhookh lagne par junk food ki jagah fruits, makhana, ya nuts ko hi priority dein.

Note: Kisi bhi specific medical condition ya allergy ke mamle me apne doctor ya registered dietitian se mashwara zaroor lein.
